SelectedWorks: Account Confirmation for Mehdi Jafarian Inbox x

support@works.bepress.com 7:29 AM (1 minute ago)

to me

Thank you for your interest in creating a free account in The Berkeley Electronic Press ("bepress") system. Academics, researchers, and site administrators use their bepress accounts to access a wide range of services, publications, institutional repositories, and research portals.

To confirm your account and resume your activity, please click [here](#).

If you experience problems clicking the link above, copy the URL below and paste it into your browser:

http://works.bepress.com/cgi/sw_user_setup.cgi?cc=h56nr6cE&login=1834053

Still having trouble logging in? Please email us at support@works.bepress.com.

اقدامات اولیه در سازماندهی سایت

My Account

SelectedWorks Site Builder

Welcome to the bepress *SelectedWorks* site builder!

You are just minutes away from having your own site to promote your scholarship.

Click here to download the [SelectedWorks User Guide](#)

1 Your Site's URL

Choose your URL

Unlike everything else on your *SelectedWorks* site, you will **not** be able to return to edit the URL later so if you don't like "mehdi_jafarian" in the URL below, please choose an alternative.

http://works.bepress.com/

1 Your Site's URL

Choose your URL

Unlike everything else on your *SelectedWorks* site, you will **not** be able to return to edit the URL later so if you don't like "mjafarian" in the URL below, please choose an alternative.

http://works.bepress.com/

2 Identify Your Institution

Search

For best search results of the 1500 institutions in *SelectedWorks* exclude generic words like "University of" and "College of" from your search query. For example, if your institution is the University of California, Berkeley, search simply for "Berkeley".

Thank you for submitting your institution.

Your institution is now:

Skip this step. I don't have an institutional affiliation.

3 Pick Your Academic Field(s)

Academic field(s) are required to index your site.

Available:	Selected:
<ul style="list-style-type: none"> Industrial Technology Operational Research Other Operations Research, Systems Engineering and Industrial Engineering Systems Engineering Other Engineering Risk Analysis Law Life Sciences Medicine and Health Sciences Physical Sciences and Mathematics Social and Behavioral Sciences 	<ul style="list-style-type: none"> Business Administration, Management, ar Business and Corporate Communications Human Resources Management Management Information Systems Management Sciences and Quantitative IV Operations and Supply Chain Managemer Organizational Behavior and Theory Strategic Management Policy Operations Research, Systems Engineeri
<input type="button" value="Select »"/>	<input type="button" value="« Remove"/>

By checking the box you agree to the *SelectedWorks* [Terms of Service](#) and [Privacy Policy](#)

(Confirmation email will be sent to jafarian.mehdi1@gmail.com)

Gratis Paper Population

We identified one or more papers in one of bepress' journals, series or repositories that may belong to you. If you are not the author, or do not wish to include the selection(s) in your site, please uncheck the boxes below. To skip this step, click "Skip."

Please note, by attaching these articles here, rather than manually uploading them, **you will maintain your articles' current download counts.**

Introductory Paragraph
Adding introductory text describing yourself and your work will help people find your site in Google. The first sentence of your text is likely to be displayed in Google search results, so make your first sentence one that will encourage readers to click:

Mehdi Jafarian is an Industrial Engineer who works as a researcher in University of Science and Culture. He has more than 8 years of experience in developing applicable models for iranian organizatins in order to improving their productivity. His research interests focus on the Maintenance, Location, Sequencing and Scheduling and also Designing and Implementing Energy Management Systems. His papers have presented in the several referees journal and conferences.
